### Membership Benefits:

A common question many EO members ask is why do we pay our International Issues? Well EO international provides many benefits to its member's globally. Rendezvous will feature one benefit every month and educate members how to make most of your membership to EO and what are all the benefits provided by EO international. This issue focuses on Global Casts.

### The GlobalCast is a combination conference call and webcast offered twice each month. You will learn :

- How EO connects you to members who share similar personal experiences or situations
- Where you can turn when you or a family member faces a health crisis
- How to connect to other EO members in your city, industry or around the world

Global casts are unique opportunities that bring to together experts and members in an online seminar format - you don't even have to leave your desk. Dial the telephone number provided, listen to the presentation and follow along online. Q&A to follow.

### Globalcast with Lesley Everett (Wednesday, September 19, 2007)

If people are the strongest element of your company's brand today, you are not maximizing your brand investment if you are not focusing on personal branding. Dial into this Globalcast to hear Lesley Everett take you through her acclaimed Walking TALL methodology. She will provide valuable and up-to-date learning points on:-

The corporate brand myth  
Parallel branding - personifying the brand of your company  
The power of the non-verbal communication  
The 7 Big Strides™ to building a personal brand

## Young Entrepreneurs' organization

### President Speaks

Dear Entrepreneur's,

I am delighted to bring to you the first issue of our new improved newsletter put together by our Communications Chairman Hameet Sawhney and his team. Over the last many years we have made numerous attempts to work upon improving the chapter communication with its members. This newsletter shall serve as a regular platform for news and views about EO members and I hope you will all participate by contributing. I would like to thank Hameet for putting in the effort and I am very sure under his guidance and leadership, the regular EO Newsletter will become a highlight of EO experience for its members. Please feel free to contribute news, views and articles that you would like to share with other Eo's.

With Best Wishes,

Samarjit Singh

President

### India VS China A realistic Comparison at Connaught Oberoi August 3, 2007

As a prelude to the Shanghai Chapter Retreat we had invited **Mr. Raj Jain** who has lived and worked in China for the past two years as the head of Whirlpool in China. He has recently returned from China and is now the President and CEO of Wal-Mart India operations. He gave us an insight to working in China, outsourcing in china, culture and intrinsic details on the Chinese business environment.

We also had invited Dr Omkar Goswami to present to us the difference in the popular belief and reality behind India China businesses economics on a micro level.
