**MOST PEOPLE LEARN ONLY FROM THEIR MISTAKES.  
BUT WHAT IF YOU COULD LEARN FROM SOMEONE ELSE'S?**

Be accountable.  
Build a connection.  
Get involved with EO  
Mentorship.

EO Mentorship inspires personal and professional growth through a synergistic, one-on-one relationship with a peer. These personal connections accelerate development by focusing on goals that drive growth and inspire the sharing of insights, perspectives and experiences.

#### **Become a Mentee**

Sometimes it is difficult to see your business from the outside. Let your Mentor give you the 10,000-foot view you're missing. As a Mentee, you can take control of your growth in business and beyond by working with a Mentor to achieve goals and gain fresh perspectives.

#### **Become a Mentor**

When you were starting out in entrepreneurship, did you ever wish you had someone to talk to who was further along in their own journey? Now you can do that for someone else! Be a Mentor and share your knowledge with a Mentee to help them gain a new outlook on their goals and business.
